INFORMATION TO TAXPAYER

All property is assessed to the owner of record as of the first day of March. Taxes become a lien at 12:01 a.m. on this date.

The Board of Supervisors sits as a Board of Equalization to equalize County assessments. Assessment protests may be filed between July 2 and August 26 each year.

County taxes for the first installment become due November 1st, and delinquent December 10th. The second installment becomes due February 1st, and delinquent April 10th. Both installments may be paid at one time.

A delinquent penalty of 6% will be added to each installment after the delinquent date. In addition, if the second installment is unpaid, there will be added costs of \$3.00 for each separate valuation to compensate for the preparation and publishing of the delinquent list.

Taxes on the unsecured roll become due and payable on the lien date and become delinquent August 31st. Thereafter, a penalty of 6% will be added, plus an additional 1% per month after December 31st, until paid.

Property deeded to the State (delinquent for a period of five years or more) may be sold at public auction by the County Tax Collector with the approval of the State Controller and the Board of Supervisors.

Requests for information concerning the ASSESSED VALUATION of your property should be addressed to R. Shellenberger, County Assessor, Room 100, Courthouse, Stockton, California 95202.

Requests for information concerning TAX PAYMENTS should be addressed to John A. Prowse, County Treasurer and Tax Collector, Room 150, Courthouse, Stockton, California 95202.
